

ASHLEY STRICKLAND

ASSOCIATE

“The creative yet personal side of the business; digging up newfound opportunities for my clients while learning their passion for their brand and where they want their business to go – that is what I love most.”

Ashley Strickland is a real estate professional accomplished in representing over 7 million square feet. As a native Houstonian, Ashley utilizes her learned skill set and market knowledge to assist her clients in tenant representation, development, and the lease up of both NewQuest and third party owned assets. Taking pride in her tenured relationships with both her tenants and commercial real estate investors, she successfully executed 28 transactions in 2017 representing both tenants and investors throughout Texas and Louisiana.

Leading our Healthcare and Wellness Division, Strickland's strengths and focus are representing healthcare organizations and systems, specialty care services, elective wellness and lifestyle services. Strickland's clients include Hospital Corporation of America (HCA), Village MD, Village Family Practice, Hometown Family Dentistry, Zadok Jewelers, and CC

Spa. Ashley is a graduate of Southern Methodist University with a BA in Real Estate and Finance. She serves as a committee member on the board of New Braunfels Economic Development, president of her homeowners association, and is an active committee member of the Houston Livestock Show & Rodeo.
